RIBBON PLACING

The Meadowlark District exhibits are judged using the Danish Ribbon system where the exhibit is judged against a “standard.” Exhibits are placed in ribbon categories based upon how they compare to the standard.

Purple

These are outstanding exhibits, in a category, that were considered for the champion rosettes. Exhibits exceed the standards of the project. This is as high of quality work as can be done, with nearly no improvements noted.

Blue

The exhibit meets standards and expectations of the project. Exhibit shows high-quality work and needs little or no improvement. Excellent exhibit.

Red

The “base” placing. The exhibit meets most standards and expectations of the project. The exhibit shows high-quality work; however, some improvements can be made in workmanship, design or expression. Good exhibit.

White

The exhibit meets few standards and expectations of the project. The exhibit can be improved in workmanship, design or knowledge shared about the project. White is often the exhibit where much learning takes place.

Champion Rosette

(Purple)

The top exhibit as determined by the judge in a category. A category may be a class, age group within a class or a sub-group within division.

Reserve Champion Rosette

(Lavender)

The second place exhibit as determined by the judge in a category. A category may be a class, age group within a class or a sub-group within division.

K-State Research and Extension, Meadowlark Extension District Statement on Workplace Violence

The safety and security of Meadowlark Extension District employees, volunteers and customers are very important. Threats, threatening behavior, acts of violence or any related conduct which disrupts another's work performance or the District's ability to execute the mission of the organization will not be tolerated.

The Meadowlark Extension District is committed to maintaining a safe, supportive, civil and productive work environment that treats everyone involved with respect and dignity. It is a violation of this policy for employees or other individuals to engage in acts or threats of violence against persons or property, including acts of intimidation, harassment or other inappropriate behavior that causes fear for personal safety and/or disruption in the workplace or at any District sponsored or supported event.

Violent or disruptive behavior will not be tolerated and all reports of incidents will be taken very seriously and dealt with appropriately. Individuals who create a hostile work environment may be removed from settings and prohibited from returning.

USE OF COPYRIGHTED MATERIALS

4-H exhibitors (individual or group) should avoid using copyrighted materials whenever possible by originating his/her work. A 4-H member or group should use with caution, a copyrighted and/or trademarked product or service (a brand name, label or product). The intent of using the copyright or trademark materials for educational purposes such as an exhibit, educational poster/display or public presentation is acceptable under the “Fair Use” (legal use) provision.

“Fair use” is a provision of the current copyright law that allows reproduction without payment or permission of limited portions of a copyrighted work for educational and other public interest purposes.

Regardless of the “Fair Use” provision, the inference that a specific name brand product is good or bad inherently or through comparison must be done cautiously, using acceptable research/comparison methods and have a statement that the results are those of the 4-H participant and not those of K-State Research and Extension.

STATE FAIR & KANSAS JUNIOR LIVESTOCK SHOW ENTRIES

1. 4-H members 9 years of age or older by January 1 of the current year and FFA members with properly nominated livestock or qualifying ribbon exhibits at the Fair are eligible for State Fair competition provided there is a State Fair class for such exhibit. Certain State Fair Classes require that the exhibitor be age 14 (Fashion Revue as an example). Check the Kansas State fair book for clarification.
2. **Pre-entry for all State Fair exhibits, except livestock, is required by August 7 to your local Meadowlark District Extension Office.** Four-digit class numbers signify State Fair class numbers and hence are State Fair eligible (if youth meets age guidelines). All other numbers are local fair class numbers.
3. All members wishing to enter livestock exhibits in the Kansas State Fair (KSF) and/or the Kansas Junior Livestock Show (KJLS) must meet all tagging, nomination, declaration and entry deadlines as required by these events. <http://www.asi.k-state.edu/research-and-extension/youth-programs/nominated-livestock/>
4. Horse Exhibitors must have qualified through the NE District Horse show with a qualifying ribbon, to be eligible for State Fair.
5. Dog exhibitors must have a qualifying score by a certified judge.

AWARDS

In all divisions (unless otherwise noted) of the fair, the Danish system of awards will be used. This system compares the exhibit to a standard rather than against other exhibits. Exhibits will be placed by the judges in blue, red and white ribbon groups. Superior exhibits will receive purple ribbons and State Fair stickers when appropriate. Champion and Reserve Champion ribbons will be awarded in divisions if deemed worthy by the judge and if the exhibit is at a blue ribbon level or above.

4-H & FFA LIVESTOCK

4-H/FFA Livestock Rules

1. **All animals must comply with rules listed under General County Fair Livestock Rules and Livestock Health Requirements.**
2. **See General Fair Rules and Regulations and the 4-H/FFA General Rules.**
3. **The Livestock Sale will be a Terminal Sale – all animals sold must go to slaughter.**
4. **Warning:** Under Kansas law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risk or domestic animal activities. You are assuming the risk of participating in this domestic animal activity. K.S.A. 60-4001 through 60-4004.
5. No dogs or other pets, with the exception of service dogs, will be allowed in the livestock barns at any time.
6. Any animal deemed dangerous by superintendent, Extension staff or fair board, will be expelled from the fairgrounds by the division superintendent.
7. Sexually intact males are not eligible to be shown in the 4-H/FFA Beef, Dairy, Goat, Horse, Sheep or Swine divisions.
8. Animals may not be shown in more than one class, by the same exhibitor, this includes open class entries. The exception is an animal shown in a class that evaluates the animal individually may also be used for showmanship and may be shown as part of a club flock/herd/pen (if applicable). In the case of Horses, they may be ridden only once in a class. Rabbits may also be entered in Fur Classes per division guidelines.
9. Any animal entered in the fair may be used for the Livestock Judging Contest.
10. Animals must have been entered and shown, to be eligible for the premium auction and/or floor base bid marketing.
11. Exhibitors shall not enter the show ring to practice with their animal while another exhibitor is practicing with an animal of another

species. Anyone not competing or participating in the judging or showing of livestock exhibits should remain outside the show ring, away from the judge and show management.

12. In the event of conflict of General and Specific rules, the latter rule will govern. See grievance committee guidelines under the General 4-H/FFA Rules. **Their decision is final.**
13. **Home Raised Class** – Youth may show only 1 animal in a home raised class. Dam must have been owned by your immediate family (4-Her, parents or legal guardian) and the offspring must have been born and raised on your land.
14. The Fairboard Livestock Committee reserves the right to have a blood, urine and/or tissue laboratory analysis made on any animal sold through the premium auction. The seller of any animal producing an analysis outside the acceptable USDA range for a diuretic or any unapproved or illegal medication will forfeit all premium and floor price and may be barred from future premium sales.
15. Any animal, who at the time of slaughter, is rejected by a USDA inspector and destroyed for any reason may result in the seller's forfeiter of all premium and floor price of said animal and may be barred from future premium sales.

ENTRY INFORMATION

To be eligible to show, animals need to be tagged and weighed at a spring weigh-in or identified with approved district forms by the published identification deadline. Spring weigh-in determines the breed of that exhibit for fair shows that utilize breed classes. The superintendent has final say if the animal does not match the characteristics for that breed.

1. All livestock must follow the Meadowlark District Livestock Ownership and Identification policy. Market livestock need to be identified by an official Kansas 4-H tag. In addition, goats and sheep must have a USDA Premise Identification tag. (See Livestock Health Requirements.)
2. Animals involved in a leasing program (4-H Horses & Dairy Heifer) need to have lease papers on file by designated times.
3. Any lost tags should be reported to the Extension office prior to the fair to make the arrangements for a replacement tag. Animals arriving at the fair without a tag may be disqualified at the discretion of the superintendents, Extension staff and fair board.
4. All livestock entries must be pre-entered by date designated by Meadowlark District Office.

5. Fair board reserves the right to limit the number of animals that may be exhibited per exhibitor if barn space is limited. Currently youth can exhibit no more than 4 animals per species in Beef, Goat, Sheep & Swine. Can be any combination of breeding or market but only 4 total.
6. An exhibit not presented promptly at the scheduled judging time will be ruled out and barred from competition in the class. No complaint or protest on the grounds that the judge overlooked the exhibit will be considered.

ANIMAL HEALTH, CARE AND WELL BEING

1. All Meadowlark District 4-H and FFA livestock are subject to a health inspection prior to exhibiting at the county fair according to the State of Kansas Animal Health Requirements (see above) and local fair board requirements. These inspections may consist of current health papers completed by a licensed veterinarian or inspection by a licensed veterinarian or fair representative prior to unloading/weigh-in at the fair. Poultry with a valid test must present appropriate paper work and have a numbered leg band in place. Check your county pre-fair newsletters for the requirement for your specific county fair.
2. Exhibitors, their parents, leaders and other adults have a serious responsibility to use animal *health aids (drugs), growth promotants, and any other approved materials* **with great care, only when needed, under the direction of a licensed veterinarian and in correct amounts.** Approved withdrawal times must be followed to assure that consumers receive wholesome food. Withdrawal times should be observed and followed. The giving of an oral or injected diuretic, growth promotion or other medication not approved for any domestic animal constitutes an unethical practice. The show management reserves the right to have a blood, urine and/or tissue laboratory analysis made on any animal entered in competition. An exhibitor of an animal producing an analysis with an unacceptable level of diuretic or any unapproved or illegal medication will forfeit all prizes and premiums and may be barred from future competition.
3. Administration of drench by way of drench gun, pumping or tubing is allowed in the pen area only and only if deemed necessary for the welfare of the animal, following ethical practices of animal care.
4. The use of tranquilizers, sedatives, cold rags or products that tamper an animal's appearance (such as ice) **will not be allowed.**
5. 4-H & FFA Livestock: **Youth for the Quality Care of Animals (YQCA):** Training will be required for any 4-H/FFA member who

wishes to show Beef, Dairy, Market Poultry, Market Rabbits, Meat Goats, Sheep and Swine at the county fair. This training is a required part of the Premium Sale Requirements.

6. Ethical treatment of animals and sportsmanship are the responsibility of all exhibitors, parents, leaders and all involved. All animals will be handled in a humane manner in accordance with accepted animal husbandry practices. Physical abuse, neglect or indifference to animal comfort & welfare of any animal will not be tolerated and will be grounds for disqualification. Only soft muzzles will be allowed on sheep and goats in the pen or stall only. Hard muzzles are not allowed. Exhibitors will adhere to the National Livestock Show Ring Code of Ethics and have a signed copy of this document on file at the Extension office, verifying that you have read and understand this code of ethics.

SHOW MANAGEMENT INFORMATION

1. Each exhibitor must show his or her own animal without assistance, notwithstanding special circumstances. If the exhibitor has more than one entry in a class or in the Champion Drive, is unable to show due to sickness or injury or has other superintendent approved reasons, another 4-H or FFA member from Meadowlark District may show the animal with prior approval by the superintendent of the division. Exhibitors must be present at the time animals are judged or forfeit the award unless their absence has been approved.
2. Members must be enrolled in the project area to be eligible for showmanship classes. The member must show their own animal. In the case of special circumstances, the superintendents have the right to allow substitute animals, at their discretion.
3. Superintendent will have discretion to break classes. Classes may be combined at the discretion of the superintendent if there are not three animals per class.
4. Rate of Gain awards will be available in all market species, except swine. Animals must have been weighed at an official Meadowlark District weigh-in.
5. Feeding and watering is allowed in designated areas only. Specie superintendents will instruct youth on these locations.
6. The market livestock shows (market and breeding divisions of Beef, Meat Goat, Sheep and Swine) will be a no fit show, “Blow and Show”. “No Fit,” is defined as using no adhesive, glue, paint or powder products. Nothing stiff or sticky may be used, **including hairspray**. You must be able to run a comb thru the hair. Any product used must be water soluble or non-oil base. If the product

doesn't fit within these guidelines, then don't use it. The use of twinning hair and/or dyeing the animals coat to change the natural integrity is prohibited. Each exhibitor must care for and groom his or her own animal during the fair and may use only the assistance of an immediate family member (mother, father, step-parent, legal guardian, brother or sister) or another 4-H or FFA member from the respective county fair who is also an exhibitor at this year's county fair. Forfeiture of premiums and exclusion from the premium sale will result from infractions of this rule.

BARN RULES

1. 4-H or FFA members must provide suitable means of care for their animals at all times during the fair. This includes cleaning and care of the stalls/exhibit area. Stalls and pens must be clean at check-out time. Failure to do this task will result in forfeiture of ribbon premium money. Livestock exhibitors must furnish their own feed and watering troughs and should provide their own bedding. Check with the specie superintendent for the approved bedding for the particular specie.
2. All livestock entries will be stalled by clubs/chapters. Pens and stalls will be assigned and marked prior to the fair. Livestock must be stalled where designated by the superintendent of that division. Tack space/areas will be designated by superintendents if available. Superintendents have the ability to re-assign stalls/pens as they deem appropriate.
3. Exhibitors of livestock are requested to decorate their quarters as tastefully as possible, and must keep the part of the building occupied by them neat and attractive. Doorways and alleyways should be kept clean and free of unnecessary equipment.
