

PROJECT NOMINATION FORM

4-HERS: CIRCLE ALL OF THE AWARDS YOU WISH TO BE CONSIDERED FOR. (Be sure you have a Meadowlark/State approved 4-H record report filled out for each project. You should also include a story and pictures for each project). This sheet needs to be given to your leaders with your records.

Leaders: Use this form in selecting members to list on the county nomination form that is returned to the Extension Office. We do not want these sheets so remove from books before bringing them to the office.
